

Advance Taleem ul Quran

The 6 year course duration is composed of the following subjects

Quran Tarjumah and Tafseer class

Word Meaning Section:

In the beginning of the class, each ayah word's meaning is taught with its root and similarities with Urdu language, making it easy to remember.

Tafseer Section:

Word meaning is followed by a detailed explanation of each ayah of the lesson. Our focus here at ArRahmah, is to highlight the practical aspects of Quran in daily life, hence lessons are designed in such a way that hearts are softened and prepared to practice whatever is taught starting with baby steps.

All subjects will In sha Allah be taught in the course of 6 years. All subjects will be taught one by one hence making it easier for students to take it along with other responsibilities. Duration of class will be 60 mins every alternate Tuesday.

Kids teaching project

- Enlighten your family with the knowledge you are gaining and take them alongside with you in this journey.
- Project must be conducted with your own children (older/younger, far/near) for a minimum of 10 days. (1 hour/day) teaching them any subject that has been covered during the course. The subject choice is left on the student to decide. This will create a special bond between mother and child while passing on the best knowledge and creating life time memories.
- Each Project due by end of the course year. A presentation about the project must be given with slides, photographs and videos.

Note:- Sunday school teaching hours will **NOT** be counted for this project.

Dawah/ field work

- Must be conducted in groups of min 3 and max 5 students for a period of minimum 3 days per year. At least 3 hours should be spent at the facility. Groups spending more than 3 days/ year or more than 3 hours/day would get extra credit.
- Project should have humanitarian aspect along with dawa. Must take permission from the institute where the project will be conducted. Few examples of these institutes can be women shelters, old homes, orphanages, hospitals, rehab centers, soup kitchens etc.
- This project will be a practical application of ayas from Quran and will teach students the ethics of team work thus preparing them to become future Daees, souls of mercy and grateful hearts.
- Presentation will be due by the end of each course year with slides and photographs.
- Far off students will send presentations to the given email address.

Islamic Library visits

- At least 90 mins per month should be dedicated to the study of books, at an islamic library.
- This will provide the opportunity to learn from a precious and wide collection of islamic text that can only be available in libraries. Also it will instill love of reading books and will enhance concentration skills.
- No virtual library study allowed.
- Cell phones must be turned off during library hours to eliminate distraction.
