

BLINDNESS OF HEART

On the day of Judgement a man will stand with his Imam.

Imam has two meanings 1. A person Whom he follows his entire life

2. Quran as it guides a man in times of confusion.

Some of them will be given their records of deeds in the right hand. They will read their book. No injustice will be done to them even equal to a thread. They will read without Allah's order. These are the ones who had Eeman in their heart. Today's Scholars opinion is that a Muslim will be given his book of deeds in his right hand. They will be happy that at least they are saved from forever's punishment.

Aishah (R.A) once remembered the Judgement day and asked Prophet Mohammed (S.A.W) "Will You remember us?"

Prophet Mohammed (S.A.W) replied " No one will remember anyone at three occasions"

- 1. At As-Sirat (The bridge extended over hellfire over which all people have to pass)*
- 2. At the Meezan (Balance of deeds)*

3. When the record of deeds will be given.

There will be no injustice done to them even equal to a thread .Every deed will be weighed. The record of deeds is one's life report card. And whoever in his life is blind which means not physically but spiritually will be blind on the Judgement day. We feel pity on those who are blind physically. But Allah tells a person blind when he is blind by heart. Allah has said in Surah Hajj it is not the eyes that are blind but the heart. People blind physically maybe cured but those blind by heart are the ones who will be raised blind physically on the Judgement day.If a person meets an accident here and loses his sight the way he experiences the pain of losing eyesight a person blind by birth can't ,in the same way the one who had eyesight in the duniya but was blind by heart ,then on the day when no one will care for each other ,even his sense organs has left him?

Today if you ask any person that will you want to be blind?

No one will agree to it!

But does anyone know that if he is busy in this worldly life he will be awoken on that day blind?

That day he will ask “O’ my Rabb I had eyesight in duniya but now you have waken me up blind”

Allah will reply “ You forgot me in Duniya and now you have been forgotten”

There are so many muslims who are away from Quran. They don't know about the Judgement day, the greatness of ALLAH (S.W.T) and his commands.

ALLAH (S.W.T) says in Surah Taha Ayah 124 "But whosoever turns away from My Reminder (i.e. neither believes in this Qur'an nor acts on its orders, etc.) verily, for him is a life of hardship, and We shall raise him up blind on the Day of Resurrection."

Think if we are blind on the Judgement day which is equal to 50,000 years when there will be no one to help. He will also be blind for his path on Akhirah and will be lost and for him is hell forever. That day everyone will be recognized by their appearance. The one who are blind in Duniya may have eyesight as they were on the right path. The blind are the ones who left Allah's way and ran towards the Duniya.
